### Declaration of Punoh

Punoh is social business organization which implies that the profit of the Punoh will be used to address social cause. It collects the rarely used and unused cloths from its owner and sell it to interested buyer. Cloths are collected from the owner in two different forms. Owner puts a price tag as she thinks fit. Punoh will put same price tag for that particular cloth. After the sale the owner will get 50% of tag price. Rest of the 50% will be kept for punoh project. In other form one can also donate here. Owner can't take back her cloths within 1 year, but can take back after that period if she wants. If not claimed after 3 years, we will not be responsible for the product. Allow Punoh to give occasional discount when needed.
